

GUITARS GALORE

In Frontenac County alone we're confident there are a hundreds of guitars sitting around not getting played like they did when you first calloused your fingers. It's about plucking time we change that!

As an addition to Line Spike Frontenac 2026, we will be introducing a massive group participation event - Guitars Galore. Our goal? To fill the field at the Day Farm in Harrowsmith with as many acoustic guitar players possible - breaking into groups and everyone learning one song which we will all perform in unison.

So grab your 6-string or other stringed instrument and come take part in what will hopefully be, the largest gathering of strummers, pickers and pluckers this area of Canada has ever seen!

This is a free event happening outside of Line Spike Frontenac's ticketed festival. Everyone is encouraged and welcome to participate. Free parking. Please rsvp to guitars@linespike.ca so we can properly plan for this amazing event!
